EDUCATION

University of California, San Diego - La Jolla, CA

B.S. Cognitive Science – Machine Learning and Neural Comp 2020

West Campus High School - Sacramento, CA

High School Diploma: 2016

ACTIVITIES

Intern, JPL Electric June 2017 - September 2017

Oversaw scouring specific Engineering sites for compatible electrical projects. Assisted site manager in the bidding process with securing and organizing relevant bidding files. While present, the company was able to secure two major electrical projects.

Class of 2020 Art Director , West Campus HS 2013 – 2016

Oversaw the design and development of class' rally posters, which were displayed during school events. Developed poster after being given the theme and feedback from other Class Officers. Surveyed the progress of these banners such that they were completed to satisfactory results in a reasonable time. If team members suggested a change to the banner to better portray the theme, their opinions were implemented in the final design for the satisfaction of the Class Officers.
